

## GCAPT Road-E-O 2026

The following students will be used for the Emergency Event and Managing Student Behavior. You will need to familiarize yourself with these students and their specific challenges.

---

**Taylor** is a 12-year-old girl who has been diagnosed with high-functioning autism. Taylor has Hypoglycemia and wears a monitor. She does best in a seat alone and can be sensitive to touch and struggles to make eye contact while engaged in conversation.

---

**Penelope** is a 13-year-old girl with Down syndrome with Atonic Seizures. She moves at a very slow pace, almost sloth-like, and her speech is muffled mumble at a fast pace. She's a happy girl who loves Barbie dolls.

---

**Bentley** is a 15-year-old boy who has Tourette's Syndrome and has outbursts when sudden sounds surprise him. He might stand up and yell violently. Bentley sometimes thinks others are making fun of him.

---

**Dylan** is a 14-year-old boy who is non-verbal and wears a safety vest. He has been known to be bitter.
